

Right To Stay Now - Web App Launch Graphics

These graphics are designed to promote the 'Right To Stay Now' web app.

They mimic familiar App Store-style badges and call-to-action buttons for web apps.

The call-to-actions included are:

- Open Web App
- Add to Home Screen
- Use in Your Browser
- Start Now

These designs use a light theme with rounded corners and a clean, modern look to encourage user interaction.

Usage Ideas:

- Marketing website
- Email campaigns
- App onboarding screens
- Printable materials
